

2025 WV Deer Hunting Season Notice

Rolling Ridge Conservancy works with local hunters to manage the deer population in our woods.

During deer hunting season, always wear bright colors (ideally blaze orange), exercise caution, and stay ON the trails.

Dogs must be kept on a leash AND have a bright color vest or bandana.

Trails will be CLOSED to bikers on:

Oct. 18 - Dec. 31

Trails will be CLOSED to hikers on:

Oct. 18 - Oct. 26

Nov. 24 - Dec. 31

We value our relationship with hunters, who provide a necessary service in the absence of other predators. Deer overpopulation leaves deer unhealthy and malnourished, and over-browsing has devastated the forest understory. Hunters harvest deer safely and thoughtfully and use the venison for food.
